4 KEY PILLARS OF CORNING INDIA SUSTAINABILITY

Education & Health

We support schools in our communities to enhance education for tomorrow's innovators

Sanitation & Water conservation

We work continuously to improve availability of clean water for future generations by conserving this precious resource

Energy conservation

We practice environmentally responsible and cost-effective use of energy

Environmental sustainability

We are committed to protecting the environment through the continuous improvement of our processes, products and services

ENHANCING AND SUSTAINING VIBRANT CORNING COMMUNITIES

CSR- Journey 2023-2024

Emphasis on education (Infrastructure & Beneficiaries)

Tree plantation with society initiative

Scope: Tree plantation drive involving MIDC officials and society at large

World Environment Day celebration in collaboration with the local Maharashtra Industrial Development Corporation (MIDC), MIDC Fire office, along with our employees undertook a tree plantation drive in the east corridor adjacent to the manufacturing plant. The team along with the MIDC authorities planted over 50 trees across the East wing corridor boundary.

Year of Work: 2023-24

Spent Amount INR =1,97,947 (including GST)

School infrastructure for Zhila Parishad School @ Varale

CSR- Journey 2023-2024

Emphasis on education (Infrastructure & Beneficiaries)

Zillah Parishad School Varalae Phase -2 (A)

Scope: School expansion with additional sitting capacity of 240 Students (Excluding Furniture Painting & Emergency Exit staircase)

- The School was built by Corning in 2018 and has seen considerable growth for head count of 280 Students
- The head count has gone up from 48 to > 300 +72 which is ~ 8x growth.
- This creates a lack of sitting capacity and the committee has stopped the new admissions.
- The expansion will double the capacity with a mid-day meal facility which will cater to all the requirements of 560 students from grade KG + grade 1 to 7 including Kinder garden

Year of Work: 2023-24

Spent Amount INR =1,61,69,602 (including GST)

School infrastructure for Zilla Parishad School @ Varale

CSR- Journey 2022-2023

Emphasis on education (Girls Scholarship Program)

Water Infrastructure at Varale and Solban School

Scope: Provide Clean drinking water facility for Varale school and Solban school with AMC cost of Birdawadi and Ambethan

Stakeholder Information: Both the schools are located in and around of Corning plant. And we have worked with them in past and was in our list to do actions for CSR initiative. The clean drinking facility has worked well for the students and further maintenance of the plant for the period of 1 Year would be covered.

Year of Work: June , 2023-24

Spent Amount INR = 3,19,308

Clean drinking facility for Varale and solban school

CSR- Journey 2023-2024

Emphasis on health infrastructure & AMC
