*Below, please type a 300 – 400 word essay (using 12pt, Times New Roman font) in which you discuss why you're interested in participating in the Technician Pipeline Program (TPP) and having a career in a technical field. Also discuss your prior academic and work successes and challenges and what you learned from those experiences that will make you a successful candidate for the TPP. Be sure to include community service, volunteer activities and even hobbies that you think are relevant. Please return your signed and dated essay to OfficeOfSTEM@corning.com. **Essays that are too long, too short or not signed with an actual signature will not be considered.** Remember to email copies of your High School and College transcripts and a copy of your resume as well.*
